

Help with training (continued)

For those who want to specialise in children's work with or outside CEF, a 3 month residential Children's Ministry Leadership Course is held in Switzerland each year. For more information about this course please visit cefbritain.org/cmlc

Help with outreach

We conduct and assist with regular Outreach Clubs, Holiday Bible Clubs and Open-air Clubs throughout the year.

The distribution of children's tracts and cards to sign up for a Bible correspondence course for children is also part of our outreach.

Children between 5-13 years old can receive our free "Bibletime" Bible correspondence course. For more information and to sign up, please visit cefbritain.org/biblecourse

Children can also sign up for our "Wondersurf" safe website for 9-12 years old. You can find more information about "Wondersurf" on our website cefbritain.org/wondersurf

CHILD EVANGELISM
FELLOWSHIP®

Reaching children worldwide™

Child Evangelism Fellowship = Children's work with the Bible at the centre.

Child Evangelism Fellowship reaches over 19 million children in more than 190 countries each year.

Hallmarks of our ministry:

- Our clearly stated Biblical view of children is that they are lost and can be saved by trusting Christ.
- Our programmes aim at putting the Bible in an attractive way at the centre of children's ministry.
- Our programmes aim to teach the Bible systematically through carefully prepared materials for pre-schoolers to teens.
- Our programmes aim at bringing the Gospel to unsaved children and discipling saved children.
- We provide complete programmes for children's meetings (not just outlines), with detailed instructions to help the teacher with each part, leaving room for flexibility.
- We produce follow-up materials, which reinforce Bible truths, for children to use at home.
- We provide systematic training for those who work with children.
- We depend on God's provision through the prayers, donations and legacies of His people to sustain and expand our ministry.

How may we help you?

Help with resources

We produce visualised Bible lesson series for pre-schoolers, primaries and Youth Challenge materials for use with teenagers, mission lessons, visualised songs, music, tracts, wordless books and devotionals for children. These can all be purchased online from cefresources.com

We also produce special packs of materials for regular Outreach Clubs, Open-air Clubs, Holiday Bible Clubs and Christmas Party Clubs. Each resource pack contains everything that is needed to organise an exciting programme (lessons, songs, memory verses, quizzes, teaching schedule, etc.). Order forms for these lesson packs can be downloaded from our website cefbritain.org/packs

Help with training

Trained CEF workers are available to speak at local church training day conferences. You may opt for a training focus just for your own teachers, or you may want to consider inviting teachers from neighbouring churches and/or other churches in your denomination. For more information about training days, please visit our website cefbritain.org/conference

We also offer help with organising Holiday Bible Clubs or Open-air Clubs, by training the volunteers, working out the programme together and even assisting in these clubs when needed. You can find more information about this on our website cefbritain.org/outreach
