

**The Rock, his work is perfect, for all his ways are justice.  
A God of faithfulness and without iniquity, just and upright is he.  
Deuteronomy 32:4 (ESV)**

In God there are no parts. In God there is only God. Therefore, all His attributes therefore form a marvellous unity. They complement and reinforce one another.

*The Rock* in this verse reminds us that God is firm, dependable and immutable. He is never capricious. His immutability is connected to His *perfection*. This is marvellous! Here on earth, what seems to be perfect changes (a beautiful flower for example) and what is imperfect seems to be immutable (consider some of our own sinful characteristics). Only in God do we find perfection and immutability going together! *Immutability* and *perfection* are then linked to *faithfulness*. What a great combination! God's faithfulness to His children is immutably strong and always perfect. Never will His faithfulness stop, and never will we find anything to criticise in it!

Good Friday later this month also reminds us how God's attributes are one. The cross reveals that God is holy and just and at the same time it shows God's love and faithfulness to His people.

God's attributes are different, but never contrary. Every thought that God thinks, every word that He speaks, every work that He performs is in perfect harmony with all of His attributes!

Whatever He does in our lives is in harmony with His faithfulness and His wisdom; it is in line with His love and His holiness; and it is in accordance with His truthfulness and His goodness.

If you are experiencing right now one attribute of God more than others, perhaps His sovereignty more than His kindness, don't forget that God continues to be faithful and merciful towards His children! In God there are no parts. He always was, and is, and will be the one immutable and perfect, just and faithful, eternal and powerful, holy Being.
