### Training Ministries

**Online Training (other than CMLC Online):** To qualify as an online training, the teacher must be able to see the faces of and count the students, as can be done through Zoom, and similar applications. Descriptions, number, people trained, and number involved in CEF ministry would be the same as those in face-to-face training ministry.

**Definition of "Number Involved in CEF Ministry":** -The number of people that are teaching in a program that qualifies to be counted in the Ministry Report portion of the Annual Statistical Report should be counted here. (NOTE: This same definition is true for all training programs unless a different definition is provided below.)
