

# EVERY CHILD IS WORTH OUR EFFORT

EVERY CHILD - EVERY NATION - EVERY DAY

" For the Earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

Habakkuk 2:14

## *Faithful Father*

These past few months have really caused us to grow stronger in our faith. We have seen God's divine providence in every step we've taken. Our return to Trinidad was quite a frightful one since we were unsure of what to expect. We experienced God's mercy in every aspect concerning our return. God is a Good Father! Our journey from England to Trinidad turned out to be rather delightful because The Lord Jesus was in it. When we needed money for our tickets, God sent people who were more than willing to sponsor us and God placed great friends who aided us in acquiring accommodation for our layover. We praise God for keeping us safe and placing the right people every step of the way to assist us. He is indeed our faithful Father.

## *God's divine direction*

Oh to be on Trinidadian soil, once more! We were welcomed with the fierce heat and the exuberant smiles of our family and friends. The familiarity of being back home was quite comforting but not without it's challenges. Praise God for the loving family who accomodated us and entertained us during our stay. Within the first month of our stay in Trinidad we were able to lead one of our cousins to the Lord. God has also been using us to disciple our nine year old niece in the Word of God, morning and evening which has been a blessing to us. We also were able to continue our online bible class with the children from England and we even added some of our nieces and nephew to the class.

Unfortunately, Priya contracted COVID-19, however, not without merit. It was an opportunity to spend more time with God in prayer and in studying the Word of God together during our quarantine period. We can safely say God's sovereignty directed us to be in Trinidad at this specific time.

## *Thanksgiving*

- We are thankful for our safe trip back to Trinidad and Tobago. We are truly grateful for everyone's prayers and support on our return.

- We thank God for the warm welcome we have received from family and friends in Trinidad.

- We are extremely grateful for the prayerful and financial support that many have graced us with over the past 3 months.

- We thank God for our Certificate of Sponsorship.

## *Prayer Requests*

- Please for wisdom and courage as we prepare ourselves for our ministry in Newbury, England.

- Please pray that our visa application would quickly be accepted.

- Please keep us in prayer as we work for the Lord in Trinidad.

## WHO IS CEF?

Child Evangelism Fellowship® is a Bible-centred, worldwide organisation, composed of born-again believers, whose purpose is to evangelise boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living.

## *Relying upon God*

Having to raise support to apply for our UK visa was total dependence upon God's provision. We have learnt to pray for finances and wait for God's provision. We can definitely say that every person who gave towards our ministry are not only generous people but people who have been obedient to God's leading. We are truly grateful for their obedience!

Now we have obtained our certificate of sponsorship, through the grace of God, and are able to make our application for our visas. We pray that our visas will be approved.

Depending upon God has been our greatest step of faith. Believing we have been called to full time ministry, trusting God for finances and having confidence in knowing that every aspect of our lives is being orchestrated by God is the most peaceful life one can live. Nothing happens by accident for the one who trusts in the Lord Jesus Christ.

Our encouragement to you is to allow the Lord Jesus to be your God and see the great stability and assurance you can live by.

"Because He lives, I can face tomorrow!"

## *Partner with us*

"No man is an island", (John Donne). We all need each other in some way. Hence, the reason God gave us all different abilities, talents, personalities and callings. We are all pieces of God's masterpiece that fit together to produce His beautiful picture.

So, as we have been called to be foot soldiers for the Lord in evangelizing children, perhaps you can ask the Lord which piece of God's masterpiece you are called to be.

Our ministry offers you the privilege of partnering with us in prayer. In God's grand plan you can be the prayer warriors who help us fight our spiritual battles in our ministry. Please pray for the final stage of our visa applications and our return to Newbury, England where we conduct our CEF ministry. Please pray that God prepares us mentally and spiritually to answer all of the questions children may ask. Please pray that we endure to end.

You also have the opportunity in partnering with us financially. If God has given you the gift of finances to support His work, please pray for God's guidance in this area. If you would like to support us financially please visit [www.cefbritain.org/supporting/giving](http://www.cefbritain.org/supporting/giving) and clearly mark your gift for Priya LalBachan and/or Corinna LalBachan. If you would like any further information on our ministry, please contact us at [priya@cefbritain.org](mailto:priya@cefbritain.org) or [corinna@cefbritain.org](mailto:corinna@cefbritain.org). We are happy to share more with you.
