Dear Friends,

It has been an amazing summer so far! I love to pray big and watch God's will unfold. We have an awesome God who answers prayers, "Who is able to do far more abundantly than all that we ask or think, according to the power at work within us."

Platinum Jubilee Tea

Thank you for your prayers for the Queen's Platinum Jubilee Tea I was organising at my home church, Peniel Baptist Chapel, Roch. The sun shone and families gathered to celebrate. It was a joy to listen to the oldest member of our chapel, a Godly Christian man of 91, speak to the young families about his memories of not only the Queen's Coronation, but also of her father, King George VI in 1937.

My young nephew prayed and I was thrilled to hear him thank God not only for our sovereign Queen, but for the greatest gift to us all, the King of Kings. How wonderful to share in the life of a child growing in faith.

BBQ & Quiz

We thanked God for a beautiful afternoon of sunshine as we held a BBQ and Quiz in the garden of my home church. There was much laughter from the children and their families, as well as curiosity about the gospel message given by our guest speaker, evangelist Paul Daniel.

Children, Youth & Family Camping

To end the school year, we held a camping evening for the children and their families. Pastor John Funnell, his elders and their families joined us from Noddfa Church, Abersychan. We had an amazing time of fun, laughter, games, a BBQ and much more. We were blessed to hear John share the gospel message. The experience of camping for the first time also gave one of our youth the confidence to join one of the EMW Summer Camps. Please pray for her, in her desire to meet other Christians and grow in faith.

@cef.wales

- Praise God for the opportunity to share the work of CEF with the ladies at Bethesda Baptist Church, Narberth.
- Pray for strength to continue a busy summer of activities.
- Please pray for the Ukrainian family I met at Keswick, that they will be able to find a local church and be able to begin to understand the English language.
- Praise God for the growing help and support of CEF workers, in particular Eun Sook, who travelled from London to help me at Keswick in Wales, Judith who travelled from Ireland to help with this week's holiday clubs, and Rachel, who will be travelling from London to help run the CEF stand at the Mission Exhibition at the EMW Aber Conference next week.

Keswick in Wales

Praise God for the privilege of leading the Children's Ministry at Keswick in Wales, last week. It was lovely to be joined by a Ukrainian family who had only moved to Wales only two days before the conference started.

The boys and girls openly shared their thoughts as we talked about Jesus coming into the world to die for us, taking the punishment of our sins on the cross. It was breath-taking to hear two children repeating a salvation prayer.

SUPPORTING THE MINISTRY

Thank you so very much to those of you who have felt led to support me not only in your prayers, but with a financial gift. This goes towards spreading the gospel to children in Wales.

Mission Possible ~ Holiday Bible Club

This week I have been running two 'Mission Possible' Holiday Bible Clubs. The boys and girls discovered the meaning of the Wordless Book, which tells the story of the Gospel. It was wonderful to have Judith & Tim Creighton travel from Northern Ireland with their family to help. Judith & I completed our CMLC part 1 online together last year, so it was lovely to finally meet in person! At the end of the week both groups were given certificates as well as prizes.

*Thank you so much for your support and encouragement.
Every blessing,
Megan*
