Praise Report

- We thank God for our faithful prayer support.
- We thank God for orchestrating the approval of our visas.
- We are so grateful that He has placed it in the hearts of believers to donate things that we need.

The Power of Prayer

We are ever so grateful to all of you that take the time to hold us up in prayer on a regular basis.

In the last seven months we have experienced first hand the divine power of prayer. There were so many uncertain moments when we felt like things weren't working out but thank God for all the faithful prayers and encouragements we received in this time.

We saw God's hand working in the approval of our visas, when we were told there was a delay and it would take 6-8 weeks but actually for us it took exactly 4 weeks. Also, in our travel back to England we were met with such gracious staff who checked piece of our luggage for free. And those are just to recall a few times when God showed His power after we earnestly prayed.

This season of our lives has truly changed our relationship with God as well as our reliance on Him.

The Next Steps

Since returning to the UK we have been spending time with our mom in Watford. We even had an opportunity to stay a few nights with our 88 year old friend Daphne who spent almost 20 years of her life teaching children about Jesus Christ, so she shared many of her experiences and challenges to help us prepare for our own ministry.

Next week we are finally making our move to Newbury to start working with The Redeemed Christian Church of God. In the next couple months we will be taking some time to spend in praying and fasting and seeking God for guidance in starting a ministry from scratch.

In October, we will be travelling to Northern Ireland to complete the remainder of our Children's Ministry Leadership Course.

We are thoroughly excited as our journey takes new turns.

Prayer Requests

- Please pray that God gives us vision and wisdom for our new ministry.
- Please pray for us as we travel to Ireland for the 2nd part of CMLC.
- And pray for us to find a flat when the time is right.

Child Evangelism Fellowship® is a Bible-centred, worldwide organisation, composed of born-again believers, whose purpose is to evangelise boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living.

If you want to have a lasting influence upon the world, you must invest in people's lives; and if you want to maximize that investment, then you must invest in those people while they are young.

A Personal Story - Theology before Biology

One day as I taught my Science students “The Cell Theory”, their eyes sparkled as I veered away from the textbook lesson and shared with them God’s intelligent design. With great anticipation, the children listened because they desired truth. One main problem with ‘The Evolution Theory’ is that it removes the spiritual relationship we were created to have with our Creator. Only humans were made in God’s image and likeness with a body, soul and spirit. Our spirits are made to have communion with God. If we reject this fact, then we eliminate the reality of God speaking to us about our sins which removes our responsibility of repenting and accepting the Lord Jesus as our Saviour from our wrongdoings. What a cunning deception the enemy has devised over the years! After seeing the hunger in those students’ eyes, I recognized the need to share the truth with children, God’s Word. This was the only education that would help them withstand any situation in life. So now, I have dedicated my life to teaching Theology before Biology, as long as the Lord permits me. - Corinna

Called to go or give

Looking at society, it is evident that we live in perilous times, especially our children. Social media bombards our children with rapidly changing opinions on abortion, gender, religious views and cancel culture. A nine-year-old recently told me, “I feel pressured and forced to keep up with trends on TikTok and YouTube.” What a daunting thing to hear a child say. Just as the Lord Jesus taught of the importance to teach children the gospel, so too we understand that it is expedient for us to dedicate our resources to equipping children with the gospel.

You may not be called to dedicate your life to teaching and preaching the gospel but you can be part of God’s global mission to spread the good news. Some are called to go while others are called to give support in prayer and finance. If you see the need to partner with us in our ministry to reach the children in Great Britain, please see the methods of giving in this letter. In the near future we would like to build a prayer support team which meets monthly to pray via zoom. If you are interested, please contact us.
