WEEKLY

UPDATE

FRIDAY, NOVEMBER 18

Greetings from International Ministries,

YOUR prayers are making a difference—thank you for standing with us in prayer for Christmas Party Clubs worldwide! Praise God for over 20,000 children reached already this season through the CPC ministry.

As we continue in prayer this week, remember the heart of Lamentations 2:19, the verses that inspired the 50 Days of Prayer initiative:

Arise, cry out in the night, at the beginning of the night watches! Pour out your heart like water before the presence of the Lord! Lift your hands to him for the lives of your children, who faint for hunger at the head of every street.

GUINEA CONAKRY

Nearly 90 percent of the population in **Guinea Conakry** (West and Central Africa) is Muslim.

During a Christmas Party Club, two Muslim girls (pictured left) professed belief in Jesus Christ and were counseled for salvation.

Praise God for how He is working and softening the hearts of children this Christmas season. Pray for teachers to have boldness as they share the true meaning of Christmas to children who have never heard!

COUNTRY S

A leader shared, "It is difficult days that our country is going through, where the electricity is only on for 3 hours. We often have to serve under dim lights during evening seminars, so you see the pictures are not clear and sometimes dark."

They added, "But we thank the Lord! We are still able to see enough during seminars, with many volunteers attending despite the low lights."

COUNTRY B

In this sensitive country, the Lord gave a schoolteacher much courage. She taught a Christmas Party Club in her class today.

After finishing the program, she said, "I feel very light in my heart because I could share message of salvation with these kids."

Pray for the children in persecuted countries this Christmas, that MANY would know Jesus as Savior!

CHRISTMAS IN UKRAINE

50 Days of Prayer

As trainings continue, remember to lift Christmas Party Club training staff and volunteers in prayer this week!

Teachers gather at a CPC seminar by candlelight.

On Tuesday, Russia launched 100 missiles at Ukraine, targeting their power systems and energy infrastructure. Due to this attack, the Ukrainian government began introducing emergency electrical outages in all regions of the country to stabilize power.

Praise God for safety of the Romanian team as they traveled to Ukraine Wednesday morning. They had a safe and uneventful border crossing. That evening, 30 teachers attended the Christmas Party Club (Christmas Together) training. There was no electricity after 3 PM, but the training continued as planned.

Those who didn't attend the training prepared Gospel bags for orders that have been placed in different parts of the country. Please pray that they will be a great blessing to the children who receive them. ■
