Dear Friend,

My love for sharing the gospel with children brings me such joy, but in recent weeks I took a step back from teaching, with the need to take time to rest and refresh. I praise God for this time of reflection and that all the children and youth work continued with my volunteers (mum and dad) leading the clubs, whilst I was simply able to enjoy conversations, crafts, singing and Bible journalling with the youngsters.

Scripture Memorisation and Teacher Training

Timmy, Meg, Amy & Neil Verner sharing at Teacher Training

In February I had a blessed time leading a teaching session with two local churches in Pembrokeshire. It was wonderful to be joined by Neil, who works at the CEF Resource Shop in Northern Ireland, and his lovely wife Amy. Neil brought a wealth of resources to share with the Sunday School teachers, including the CEF Unlocked curriculum for primary aged children. Amy shared the rationale for teaching toddlers, providing some excellent tips for learning memory verses with this young age group.

I shared the importance of teaching children Biblical truths, as well as tips for teaching memory verses to older children. My young nephew was an enthusiastic assistant who loved sharing ways of learning John 3:16.

If your church would like a tailor-made training session, do contact me to discuss this. It is something I love to do and would be happy to facilitate.

EMW News Article

I am thankful for the opportunity to be interviewed by Paul Daniel, AECW Evangelist (Associating Evangelical Churches in Wales) about my role with CEF.

This article appears in the recent edition of the magazine produced by the Evangelical Movement of Wales (EMW). The EMW magazines are biblical, practical and relevant, aiming to support and serve Christians in Wales and beyond.

Good News Club

It has been such a blessing to share the gospel with these little ones, who always amaze me with their responses to Biblical questions. It is a joy to hear young voices praying to our heavenly Father, thanking Him for sending Jesus to die on the cross for them. Please pray that they will grow in understanding of their words, opening up their hearts to know the saving love of Jesus.

Youth Club

Our Youth Group is studying the 10 Commandments, which is part of the series 'What are God's Standards?' As well as meeting every week, social events also play an important role in reaching out to those who do not attend weekly Youth Clubs. These include sharing pizza, music and games in my home, Christmas and Easter dinners at my parents' home and BBQs.

Last month we had a great time bowling in Milford Haven, followed by a meal. Sharing fellowship in this way shows our care for the young people's faith journey. It also allows friendships to deepen and gives families an insight into how we love to live out our faith. As Paul reminds us, "Let each of you look not only to his own interests, but also to the interests of others." (Philippians 2:4).

PRAYER & PRAISE

Praise God for answered prayers:

Four children have returned to the Good News Club at my home church.

Praise God for a time of further training in Northern Ireland last week, gaining valuable insight into the work of Good News Clubs and Easter programmes.

Please pray for the Sunday School teachers at Bethesda Church, Narberth, as they begin using the CEF curriculum

April 8th: **Please pray** that families in my local community will join in the Easter activities at my home church, following the Easter Trail to learn about the greatest rescue plan in history - we have a risen Saviour who forgives and saves.

I pray you have a blessed Easter, reflecting with awe and wonder at the new life our Saviour gives to all who trust in Him.

*Every blessing,
Megan*

I am so thankful for your prayers. As you partner with me in serving the Lord, whether in prayer or with a financial gift, I am reminded of James' declaration that, "Every good gift and every perfect gift is from above." It is wonderful to experience the joy there is in knowing God's grace as we serve one another, together (1 Peter 4:10).

To those of you who feel able to make a financial gift, a monthly gift would provide financial stability and resources for sharing the gospel with children. It also allows me to live as a missionary, helping me with practical living expenses.
