Praise Report

- We thank God for the successful Holiday Bible Clubs and all of the children who heard the Gospel.
- We praise God for providing finances to travel to do our ministry.
- We are so grateful to gain so much Christian friends and prayer support over the months.

...O LORD: I SAY, "YOU ARE MY GOD." MY TIMES ARE IN YOUR HANDS... PSALMS 31:14 - 15

Isn't it fascinating that we all plan for the future when no one knows what tomorrow holds? Yet we set our alarms in hopes that we would wake up in good health, we plan our week's schedule and make appointments in hopes that we would accomplish our plans. And so we must, because we know that there is a good God who grants us the best gifts without fail!

Over the past months, we are happy to share that we have lived our lives beyond our wildest imaginations! Coming from a small town in Trinidad, we would have never thought of living abroad, moreover, travelling around the UK. We would have never dreamt of working in The Republic of Ireland, Northern Ireland, England and Scotland! We are truly humbled to say that our times are indeed in God's hands. It is He who made all of this possible. It was in His plans for us to be used by Him in sharing the gospel in all of these places. We are very grateful and privileged to have God use us in this way. We can most assuredly testify that living by God's plans instead of ours is most enjoyable. Our goals are boring compared to God's. Furthermore, this lifestyle has led us to depend on Him for every moment.

G.C.C. One Day Fun Day

Garston Community Church's children ended the summer holidays with a bang! Just a few days before school reopened we wanted to create an atmosphere of fun and excitement for the children by doing a fun day. We concentrated on the conversion of Saul to Paul. In that story, we explored how relying on Jesus was the only way to heaven and not relying on being a good person just by following God's law. Saul was converted to Paul when he met Jesus on the road to Damascus. Immediately his focus on obeying God to get to heaven shifted to obeying God because of the Salvation the Lord Jesus brought to him. Here we paralleled our life and encouraged the children to rely upon the Lord Jesus to get them to heaven and obey Him to demonstrate their love for Him. To emphasize this, we memorized John 3:16 and we did songs. Then we snacked together and ended the programme with fun games!

Child Evangelism Fellowship® is a Bible-centred, worldwide organisation, composed of born-again believers, whose purpose is to evangelise boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living.

People's Mission HBC, South Shields - Mission Possible

"Does God sleep?" was our grand finale question from one of our 6y/o children at the Holiday Bible Club (H.B.C.) held in South Shields. What great joy it brings to hear 6 year olds think about God as we taught them the Gospel! In the month of August, we had the privilege of telling the children of God's mission to save humanity from sin and destruction, while challenging them to take on the mission of telling their friends this great news. Many of the children were under 10 years and they were all so enthused to engage in our 5 HOUR long Bible Club for 5 days! We had a thrilling time together singing songs, learning about God, doing crafts and games.

Bonnie Scotland - The Wordless Book

The month of July was phenomenal travelling to Bonnie Scotland for two weeks to work alongside some of Britain's most incredible CEF workers, Hannah and Simon Snodgrass and John and Martha Meagher at Maryhill Evangelical Church and Allendar Evangelical Church.

Here we worked together with these churches to teach the Gospel to over twenty children. At these clubs the children's mission was to investigate the meaning behind the gold, black, red, white and green pages of the Wordless Book. They all wore their detectives hats each day in anticipation to accomplish their mission through songs, games, lessons and crafts.

The Emerald Isle - Who is God and why should we worship Him?

That was just a few of the questions asked by 9 nine year old Abigail, during our Bible-Time discussions at a Juniors Camp in Donegal, Ireland. That week we had been learning all about God's Sovereignty in the life of Joshua and it got this young girl thinking about her own life and her purpose on this Earth. These questions opened up a great opportunity to share the Gospel in a deeper way with these girls in that group. As they listened intently to what was being said and asking many more questions, I could see the wheels turning in Abigail's head as she thought about Who God is. Leading her to ask "Well if God knows everything, does He know who I will marry when I'm older?" and while we as adults may laugh fondly at a question like that, the answer has set little Abigail on a journey to enthusiastically find out more about the All Knowing God who knows all about her and her future.

The second week we taught 16 teenagers how to live godly in a godless society, studying the life of Hezekiah. We discussed themes such as trusting God in difficulties, obeying God and relying on God's good promises. There was one admirable teenager who was grieving the loss of her relative and she sought to understand how to honour God in her season of grief. These are the moments we work for! It is our priority to cultivate a safe environment where young people can ask questions about life and where we can use the Bible to help them find the answers. This is the heart of CEF ministry!

Half term HBC @ Garston Community Church

When the school bells chime to end half of the term, we somersault with excitement to begin Holiday Bible Club in G.C.C. We love when children are out of school because it means we get the chance to share with them God's Word with fun and excitement. On Wednesday 31st May, Thursday 1st June and Friday 2nd June we conducted a HBC having 15 children attending! We taught on Zacchaeus, Noah and The Ethiopian Treasurer. Here we showed how God loves us so much that He always makes a way for us to be saved. Children enjoy Bible time since we make learning so interactive and engaging through questioning and learning activities.

Note well - We intend to conduct HBCs regularly at G.C.C. for the upcoming half terms, so always keep a look out! Bring your children! Share the news! Keep us in prayer!

Training! Training! Training!

As many of you know, for the first 6 months of this year we have been training to become efficient CEF workers. CEF work was completely foreign to us! We had to be taught how to build a CEF ministry by other fellow workers. We are truly grateful for everyone who helped us build the courage for this faith-based work. I think two of the most important factors of this ministry is faith in God through prayer and support from other Christians. Thank God the CEF workers understand this very well!

We spent 6 weeks in the 'Promise Land' Ireland during the months of March and April! What an authentic experience of the CEF ministry! We observed and worked alongside the CEF workers located in Armagh, Omagh, Ballymoney, the Mourne Mountains, Banbridge, Lurgan, Dublin and Belfast. Each week we moved from one town to the other. It was extraordinary! We even had the privilege of leading a Mission's Night at Lurgan Baptist Church where we shared how Great Britain brought Protestant Christianity to Trinidad and Tobago. We even had the chance to attend CEF Ireland's Easter Conference. Here we made good connections with fellow workers.

The Carpathian Mountains

Design Software Course - Class of 2023

Rustic Romania

From the windows of CEF Campus, Sibiu Romania, I gazed upon the snow-covered, majestic Carpathian Mountains every morning to kickstart my day. I, Priya, had the honour of studying Graphic Design for two weeks in Romania during the month of May.

There I learnt how to develop my skills in designing CEF materials for the sake of spreading the Gospel in this digital era. I am so grateful to God for giving me the fantastic opportunity to work for Him in CEF. One of the greatest benefits is to travel to different countries and build good relationships with godly people who give their lives for the furtherance of the Gospel. Working for God full time is tremendous!

For God is not unjust to forget your work and labour of love which you have shown toward His name, in that you have ministered to the saints, and do minister.

Hebrews 6:10 NKJV

Sunday School @ Garston Community Church

When Sunday morning comes, we are so excited to go to Church to share the Gospel with the children of our Church. It gives us great joy to spend time preparing lessons and activities to help these children deepen their understanding of our Great God. It motivates us to hear Raymond thank the Lord Jesus for dying for his sins every time he prays. Every time we ask the question, "Who is God?" they all know that Jesus is God. From the mention of the word 'sin' the children automatically recite its definition with actions. Teaching memory verses through songs and actions have helped them to memorize Luke 19:10. Innocent, one of our Sunday School children, has plainly said to me once, "I come to Sunday School because I want to learn more about God". We are so grateful to Garston Community Church for this opportunity to share the good news.

Your ministry impacting our ministry!

Our hearts are filled with immense gratitude to all of you who support us continuously! Thank you to our mom, to our CEF directors and colleagues, to our church Garston Community Church, to Foundation Church and to all of our individual supporters. Thank you for your prayers, advice, conversations and encouragement during our ministry. Your labour of love is valued and vital to our ministry. Every time you pray for us, you enter into a spiritual battle on our behalf. Your prayers help us to boldly proclaim the Word of God faithfully. Whenever we feel discouraged we are always uplifted by your prayers for us. Thank you!

As faith-based workers, all of our finances come from your contribution towards the work we do in this ministry. We do not obtain a salary but we have finances when people like you see the value in supporting us either, monthly or with one - off gifts. At the moment, we find ourselves faced with a significant shortfall in our incoming monthly support.

We encourage you to pray about how God will lead you into giving towards our ministry.

Every time you give financially it provides for our living needs and it enables us to purchase food, game equipment, craft materials and literature for the children to enjoy while learning about God. Please consider becoming a monthly partner and let us reach Watford and England together!

Prayer Requests

- Pray for our new ministry with the refugee camp which we plan to begin in September.
- Pray for favour as we promote CEF to the churches in Watford.
- Pray about becoming a monthly prayer and financial partner.

Starting from this month, the last Tuesday every month @ 8pm - 9pm we will be hosting a prayer meeting on zoom. Please email us if you are interested in joining.

Give to the ministry

If you would like to make a financial gift, please mark your gift clearly for **Priya or Corinna LalBachan**, using the following bank details:

The Royal Bank of Scotland
Account Number: 00205518
Sort Code: 83-45-00

International Payments:
